

## Coronavirus Catch Up Premium Grant 2020-21

SUMMARY INFORMATION			
<b>Total number of pupils:</b>	323	<b>Amount of catch-up premium received per pupil:</b>	£80
<b>Total catch-up premium budget:</b>	£25,840		

STRATEGY STATEMENT
<p>At The Parks Academy, we strive to ensure that all of our children make accelerated progress across the academy to at least be on par with their peers nationally. Sadly, due to Covid-19, our children have fallen further behind both academically and mentally.</p> <p>To act appropriately and swiftly around this matter, we have decided to appoint an additional member of staff until the end of the academic year. Their remit is to support children's mental health through ELSA and Thrive interventions whilst also supporting with interventions across the curriculum.</p> <p>In addition, we are using the remained of the grant to organise one-to-one tuition for our pupils that need it the most.</p> <p>We are hoping because of this we can:</p> <ul style="list-style-type: none"> <li>○ To reduce the attainment gap between your disadvantaged pupils and their peers</li> <li>○ To raise the attainment of all pupils to close the gap created by COVID-19 school closures</li> <li>○ To improve the mental health of our pupils that have been most affected by the virus</li> </ul>

BARRIERS TO FUTURE ATTAINMENT	
<b>A</b>	Without additional intervention and support, children's basic skills at The Parks will be significantly affected
<b>B</b>	Many families do not have the technological facilities to be able to work from home
<b>C</b>	Many families have chosen to keep their children at home during Covid-19 which has a negative impact on attainment/progress
